The primary aim and mission of this project is to mainstream lives of children of prisoners through its Crèche & Nursery school. The organization is committed to rebuild, access to information, services and help them improve their lives by providing them with food, shelter and education (formal and value based education).

Additional information:
- Children of Vulnerable Families (CVF)
  - Under Residential School Support, foundation is working with 4 partner schools, wherein nearly 140 children are provided with food, shelter and education (formal and value based education).
  - Over 52 children stay with their families/guardians at home after their parents get released from prison. In homes, the children and the environment of these homes are vulnerable to crimes, where children fall prey to anti-social elements, present in the vicinity of the area. The risk of becoming the next victim of inter-generational crime is high. Thus, in order to save such children, India Vision Foundation has set up a Community Centre which facilitates opportunities to boost up their emotional, social, physical and psychological development. The aim is to nurture children towards acquiring skills required to learn ways to lead a healthy, happy, and righteous life.
  - The project provides monthly financial support to children for their school fees and extra-curricular activities. The center, in collaboration with trained Social Workers, conducts workshops which includes a plethora of activities like skill assessment, social awareness classes, capacity building programmes for the parents, celebrations, confidence boosting sessions, language trainings, virtual classes, etc. which helps them in their physical growth who shall also be vaccinated for various diseases as per the local climatic requirements.
  - Scales of diet for children shall be decided keeping in view the calorific requirements of growing children as per medical norms and the State/UT Government shall lay down appropriate scales. For this the State/UT Government shall lay down the 'minimum standards for Crèche & Nursery school administration and shall be run preferably outside the prison.'
  - The crèche and nursery school shall be run by the prison administration and shall be run preferably outside the prison.
  - The crèche and nursery school shall be run by the prison administration.
  - The crèche and nursery school shall be run by the prison administration preferably outside the prison.
  - The children of women inmates, who are in jail, require if they cannot otherwise be suitably placed. It felt that under the Children (Protection of Child Rights) Act, 2015, the minimum standards are later laid in the Prison Manual 2016 prepared by the Bureau of Police Research and Development (BPR&D) under MHA, Government of India. They are as mentioned in the following:
  - Children who have completed their education under the primary interventions of the Project are now a part of foundation’s Alumni network.
  - The Court also issued directions to ensure that the minimum standards are met by all States and Union Territories vis-a-vis the children of women prison inmates, who are in jail, require if they cannot otherwise be suitably placed. It felt that under the Children (Protection of Child Rights) Act, 2015, the minimum standards are later laid in the Prison Manual 2016 prepared by the Bureau of Police Research and Development (BPR&D) under MHA, Government of India. They are as mentioned in the following:
  - Children who have completed their education under the primary interventions of the Project are now a part of foundation’s Alumni network. The network engages its alumni as peer leaders who in turn engage and motivates children who are still in the in other 3 programs. This is done so that the alumni who have benefited from the foundation are able to contribute back as well. With network of over 51 alumni students, foundation has initiated a group called "Fly for Dreams (FFD)".
